Brendan Coburn DipPFS - Brendan is a specialist financial adviser and heads the MocoMoney Independent Financial Advisors (IFA) team advising Morris & Co dental clients on their personal finances ranging from pensions and investments to insurances, trusts and long term financial planning.

Bob Cummings – Bob is an ex Tax Inspector. He is the national tax adviser to NASDAL (The National Association of Specialist Dental Accountants & Lawyers) and deals with HM Revenue and Customs on Dental tax issues. Bob has specialised in acting for dentists for almost twenty years and lectures on tax and accountancy issues to various dental groups and DFT Schemes.

Nick Ledingham – Nick is the Senior Partner at Morris & Co, Specialist Dental Accountants and has been helping dentists to buy practices for more than twenty years.

John Grant – John is a Director at Goodman Grant Solicitors, the largest specialist dental law practice in the country. Not only is he on the BDA panel of recommended solicitors, he is past chairman of the ASPD and his firm is a member of NASDAL. John has acted for dental clients all over the country for well over 20 years on every aspect of acquiring, running and selling dental practices. He has considerable experience in the field of practice sales and purchases.
